Our Speaker

for the 23rd Annual

Outreach Luncheon

Congressman Roscoe Bartlett

“Reclaiming America”

There is so much fear and uncertainty in the world at this time. We have daily assaults on our Christian values. And America is in a moral free fall like never before in history.

Even so, this is a wonderful time to be alive. Today, many people feel great spiritual hunger to know Jesus. God desires to comfort people and give them the gift of eternal life.

Congressman Bartlett, in Washington, D.C., has a keen awareness of this. His message to us will be very timely and very inspiring. Join us!
